CODE  

Now no more cuts to your fingertips with this Easy Chopper.

Easy Chopper is a mini food processor which is a dream come true product.

Chopping is now just a pull of string which gives you fine and evenly chopped fruits and vegetables. This product is handy, light-weight and easy to use for those who consider chopping tedious and time consuming.

Easy Chopper not only chops your fruit, vegetables and herbs but also stuff gravies, dips and chutnies. Even it whips curd and cream, makes smoothies, shakes and raitas. It is an energy saving alternative with easy-to-pull cord mechanism.
